HIGHLY COMMENDED
EXCELLENCE BY A TEACHER

A commitment to mathematics and the welfare of students

Coral Connor is an energetic and committed teacher, whose enthusiasm for mathematics, and resourcefulness and imagination, motivates and supports the achievements of all her students.

Coral makes learning and problem solving interesting and fun. Her innovative teaching and effective use of technology, such as online videos created to help onsite and distance education students, make mathematics accessible to students with different learning styles and abilities.

Through her own teaching, leadership of mathematics in the school, and current role in improving student performance and teacher effectiveness, Coral has had a significant impact on the whole school community.
