HIGHLY COMMENDED
EXCELLENCE IN TEACHER LEADERSHIP

Leading e-learning for 21st Century futures

Lissa Hodson has effectively extended student learning beyond the walls of the classroom. Her passion and drive have led the way for all students at the Queensland Academy for Health Sciences to work with technology across all curriculum areas.

Lissa has created teaching and learning settings that enable students to work collaboratively across vast distances, explore global issues and engage in creative problem solving through virtual environments. She keeps her exemplary practice relevant through continuous learning and generously sharing her experience and expertise at forums and conferences nationally and internationally.

Lissa's futures-oriented leadership challenges teachers in schools across the state to use new technologies and provide exciting learning opportunities for students of all ages.
