The email will be sent to you, or your agent if one has been nominated. You can then log into the Applicant portal to read the full message and view your Receipt of payment.

Once assessment has commenced on your application, AITSL will communicate with you via the Applicant portal's message function. You will receive an email to your nominated email (or your agent's email) notifying you when you have a message. You are also able to communicate with AITSL via this message function.

AITSL does not provide information on the progress or status of an assessment application.

## Document request by AITSL

As part of the assessment process it may be necessary for AITSL to request additional documentation or information from you or a third party. When additional information is required from you, AITSL will send you a message notifying you of the additional requirements. You will be given the opportunity to access the Applicant portal to upload the additional evidence. All additional evidence should be uploaded at the same time. Any missing evidence will trigger a subsequent request for additional information and further delays of the assessment will incur.

Please note the estimated 10 week assessment timeframe will begin again from receipt of this additional information.

## Assessment outcome

The assessment outcome will be available to you within the Applicant portal. Applicants who receive a suitable outcome will be able to download a copy of the accompanying AITSL Skills Assessment Certificate which is valid for two (2) years from the date of issue. Once you have received a Skills Assessment Certificate you will have access, within the Applicant portal, to request a SES. The assessment fee for an SES is AUD228. Applicants who do not receive a Skills Assessment Certificate are ineligible to apply for an SES.

To be included in a skilled employment statement, your employment in Australia must total **at least** one (1) year. For employment outside Australia it must total **a minimum** of three (3) years.
