

AITSL Board Meeting Report: 2 September 2016

TEMAG and Initial Teacher Education

The Board received an update on progress in implementing the Australian Government's response to the Teacher Education Ministerial Advisory Group (TEMAG) which included a progress update on the implementation of the revised ***Accreditation of Initial Teacher Education in Australia: Standards and Procedures***.

More information about AITSL's work on the Federal Government's response to TEMAG and the ITE reforms is available [here](#).

AITSL 2016 Stakeholder Survey

The Board received and discussed the results of the AITSL 2016 Stakeholder Survey. There was a larger response to the survey than in previous years and the Board recognised and appreciated the time and effort of AITSL stakeholders in completing the survey.

AITSL 2015-16 Annual Report

The Board discussed and approved the AITSL 2015-16 Annual Report. It is anticipated the Annual Report will be available on the AITSL website in November.

Teaching Expert Standing Committee

The Board was given a report from the Teaching Expert Standing Committee.

The **next meeting** of the AITSL Board will be held on 21 October 2016.
