

AITSL Board Meeting Report: 25 July 2016

TEMAG and Initial Teacher Education

The Board received an update on progress in implementing the Federal Government's response to the Teacher Education Ministerial Advisory Group (TEMAG). This included:

- a progress update on the implementation of the revised ***Accreditation of Initial Teacher Education in Australia: Standards and Procedures*** (Standards and Procedures); and
- that **training for panel members** against the Standards and Procedures has commenced with the first workshop being held in July 2016.

More information about AITSL's work on the Federal Government's response to TEMAG and the ITE reforms is available [here](#).

Teacher Induction

The Board recognised the important milestone of Education Council approving the national guidelines for teacher induction named: ***Graduate to Proficient: Australian guidelines for teacher induction into the profession*** (Guidelines). The Guidelines were approved on 21 July 2016 and are available on the AITSL website [here](#).

The **next meeting** of the AITSL Board will be held on 2 September 2016.
