

## AITSL Board Meeting Report: 22 April 2016

### TEMAG and Initial Teacher Education

The Board received an update on progress in implementing the Federal Government's response to the Teacher Education Ministerial Advisory Group (TEMAG).

More information about AITSL's work on the Federal Government's response to TEMAG and the ITE reforms is available [here](#).

### Induction Guidelines

The Board received an update on the resources being developed by AITSL to support the implementation of the induction guidelines titled *Graduate to Proficient: Australian guidelines for teacher induction into the profession* ("**the Guidelines**").

As previously reported, one of the main aims of the Guidelines is to assist early career teachers in their transition from graduate to proficient. The Guidelines will continue to be discussed with key stakeholders and the intention is for the Guidelines to be submitted to Education Council for approval in May/June 2016.

### Graduate Standards Review

The Board received an update on the steps being taken by AITSL to review the Graduate Level of the Australian Professional Standards for Teachers. This review is being undertaken as part of the AITSL's work in response to TEMAG.

The **next meeting** of the AITSL Board will be held on 10 June 2016.
