

Student worksamples

Children are encouraged to write/draw about their favourite thing at school each day.

“My favourite thing at school today was talking to Harry. This is me and this is Harry.”

My favourite thing at school was

Mail
box

This is a work sample from the first week of kindergarten. This child took it upon herself to go and get our class mail box and copy the words "mail box".

This is a work sample from the week we had maps in writing corner. This student usually avoids any paper and pencil tasks and will rush to get them over with quickly but really engaged in this task. She spent over twenty minutes creating her treasure map and told a fantastic oral story to the teacher who helped label her map. She made maps for the following three days.
