

My Induction

road map

Some suggestions to get you started

Pre-Service

notes

- Download *My Induction* and familiarise yourself with the features.
- In the **Resources** section, explore the topic **My Growth – Joining the Profession**.

First week

- In the Resources section, explore the topic **My Teaching Practice** before you step into the classroom.
- If you have been assigned a mentor, let them know that you have downloaded AITSL's *My Induction* app and direct them to the [AITSL Induction webpage](#).

First year

- Explore the Resources and Advice sections and discuss the content regularly with a mentor.
- If you do not have a mentor, approach an experienced teacher who would be willing to guide you. Direct them to the [Graduate to Proficient: Australian guidelines for teacher induction](#) to find out more.
- Complete the **Wellbeing Tracker** at least once a term to better manage your professional wellbeing.

Second year

- In the Resources section, explore the topic **My Other Responsibilities – Registration Requirements**.
- Talk to your mentor or a leader for further advice on registration.
